

A young girl and a young boy are seen from behind, looking at a festive Christmas window display. The girl is wearing a white knit sweater and a white hat with a pom-pom. The boy is wearing a grey and white patterned sweater. The window display is decorated with warm white lights, a Christmas tree on the right, and various holiday-themed items like a snowman, a cardinal, and a reindeer. ## DISCOVER PEACEFUL MOMENTS

Ever feel like you are always racing around during the holidays, trying to complete every task on your list, attend every party, bake all the cookies, and be sure you are still as jolly as the Big Man himself? Here in Lancaster we like to take a quieter approach to the season. Yes, we still have the lights, the cookies, and the trees, but there is also a peaceful sense of appreciation around the county. Leave the stressing to Santa, and come explore at a slower pace. After all, aren't the little things really the big things in life? We sure think so!
